RELAXATION AREA

RELAX

Our spa reflects the ethos of our restaurant. Using only the finest organic ingredients, all our treatments are hand made on site. We focus on the aromas and health benefits of the many mountain plants that surround us, along with a specially chosen selection of more exotic fruit and nuts. Our well-being centre proposes you an outdoor swimming sauna, and a hot bath, with a beautiful view over the Mont-Blanc mountain.

On the other side of the Alps, in the heart of the Aosta Valley, we had an inspiring encounter, that of Dottor Nicola, specialist in natural cosmetology. Inspired by mountain plants and herbs, the phyto-cosmeceutical range of Dottor Nicola Farmacista © joins the Flocons de Sel Spa to offer its guests the best of nature.

Mountain water, extracts of medicinal plants, raw materials from the Alpine region and that's it. Medicinal in essence, nature is an open-air pharmacy and Dottor Nicola has understood this. In its serums, a highly concentrated formulation of the healing power of plants : Regenerating, relaxing, calming, anti-aging treatments.

The phyto-cosmeceutical range, meeting between cosmetic and pharmaceutical products, thus meets the specific needs of adult skin by using the active power of calendula, edelweiss, thyme or hyssop.

Products from Dottor Nicola Farmacista are available for sale, and are also in your welcome products in your room to further extend the moment of well-being !
